ABOUT SUVIDHA INDUSTRIES

Suvidha Industries is a **Lucknow-based commercial kitchen and beverage equipment company**, founded by Ashish Srivastava — an IHM graduate with over 16 years of experience across F&B; and hospitality in India and England. The firm specialises in supplying, installing, and supporting complete commercial kitchen setups, food kiosks, container kitchens, food carts, and the full range of Coldex India beverage machines.

Headquartered in Lucknow, we are strategically positioned to serve clients across Uttar Pradesh and beyond. As UP's **Exclusive Authorised Dealer of Coldex India**, Suvidha Industries was among the very first in the state to bring this nationally acclaimed beverage machine range to local businesses — backed by official manufacturer warranty and certified technical service, so you never have to travel to Gujarat again.

EXCLUSIVE AUTHORISED DEALER — COLDEX INDIA RANGE (UP)

UP's first-mover advantage: Suvidha Industries is among the very first authorised Coldex dealers established in Uttar Pradesh. Before this, businesses across UP had no choice but to travel all the way to Ahmedabad, Gujarat to source soda machines, sugarcane machines, and beverage equipment. We changed that — bringing Coldex's full portfolio, official warranty, certified installation, and genuine spare parts right here to Lucknow.

WHY CHOOSE SUVIDHA INDUSTRIES?

One-Stop Commercial Kitchen Partner

From a single piece of equipment to a complete cloud kitchen — one vendor, one point of contact, zero coordination overhead.

UP's Exclusive Coldex Authorised Dealer

Official dealership = manufacturer warranty, genuine spare parts, and certified technicians. No need to travel to Gujarat — it's all right here in Lucknow.

Among UP's First Coldex Dealers

We established this dealership when no one else in UP had. That early-mover commitment reflects the confidence our clients place in us.

End-to-End Ownership on Every Project

Site assessment, layout, delivery, installation, staff training, and post-sale support — we own the entire process.

16+ Years of F&B; & Hospitality Expertise

Founded by an IHM graduate with deep operational experience — recommendations rooted in real-world kitchen management, not just equipment sales.

Custom Fabrication Capability

Non-standard layouts? Unusual dimensions? We custom-fabricate SS kitchen equipment, kiosk structures, and container kitchens to spec.
